FLAVOURS	Natural	Strawberry	Mint	Vanilla	Licorice	Banana	Rashberry	
	USA FDA App.	USA FDA App.	USA FDA App.	USA FDA App.	USA FDA App.			
	Orange	Chocolate	Lychee					
MATERIALS	Ingredient Name				Function			
	Pre-Vulcanised NR Latex				Rubber Latex Sheath			
	Silicone Oil (Dimethyl Polysiloxane)				Lubricant			
	Modified Constarch Powder (USP grade)				Dusting Powder			
QUALITY CONTROL	The condoms are manufactured, tested and approved according to EN 600, ISO 4074 and ASTM D3492 standards as well as WHO specification.							
	100% Electronically Tested				Hermetically Sealed(Package Integrity Tested)			
	On-Line quality control in all parts of manufacturing process.							
	Pre-Shipment quality control according to specified requirements.							
DIMENSIONS	Length	≥ 170 mm						
	Width	49 ± 2mm (Smooth Only)	53 ± 2mm (Smooth/Dotted/SuperDotted/Ribbed/3in 1/Anatomic)			56 ± 2mm (Smooth Only)		
	Thickness	0.075 ± 0.015mm (Normal)	0.065 ± 0.010mm (Super Thin)			≥ 0.10mm (Super Strong)		
PHYSICAL PROPERTIES	Holes	AQL 0.25, General Inspection Level 1						
	Tensile	Force at Break	≥ 39N (Normal), ≥ 100N (Super Strong)					
		Elongation at Break	≥ 700%					
	Bursting	AQL 1.5, General Inspection Level 1						
		Pressure	≥ 1.0 kPa (Normal), ≥ 2.0 kPa (Extra Strong)					
		Volume	≥ 16.0 kPa (49mm), ≥ 18.0 kPa (53mm), ≥ 22 kPa (56mm)					
PACKAGING	Each condom is packed in approx. 55x55(49/53mm condom)/59x57mm(56mm condom) square or (29x69)mm for rectangular aluminium foil.							
	3 pieces in wallet pack or 12 pieces in Inner Box.							
	Outer Box	144 Pieces		Bulk Pack		50 gross
